The Cash In The Plate goes to Niños Con Valor

Niños Con Valor was founded in 2006 in Cochabamba, Bolivia to provide safe, loving residential homes where children and youth receive 24/7 care, access to education, life skills training, and the support they need to heal, grow, and thrive. Niños Con Valor is one of the few organizations in Bolivia dedicated to welcoming children with complex health needs and disabilities with over 50% of the children in our care living with these challenges. Your support will help young adults build stable, fulfilling futures and break the cycle of poverty.

Donations can be made by sending a check to Good Sam, specifying "Niños Con Valor" in the memo line, or through Good Sam's online giving portal by scanning the QR code at right.

Last week's offering \$1003.33 has been designated to go to SPARK.
