The Cash In The Plate goes to the Rise Against Hunger

Rise Against Hunger works in countries worldwide to fight hunger, targeting communities facing high rates of food insecurity. They provide volunteer-packaged meals and other assistance to support nutrition, education, and health for children and families facing hunger. They also partner with local leaders to implement sustainable agriculture and income-generating projects that support long-term solutions to food security and empower communities to become self-reliant and thrive.

Donations can be made by sending a check to Good Sam, specifying "Rise Against Hunger" in the memo line, or through Good Sam's online giving portal by scanning the QR code at right.

Last week's offering of \$876.36 has been designated to go to the Good Sam Fish Pantry.
